Expenditure for modernisation of steel plants

391. SHRI KRISHNA KUMAR BIRLA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Government propose to spend about Rs. 10,000 crores on the modernisation of the steel plants in the country between 1988 and 1994;

(b) if so, what is the total expenditure incurred by Government so far on each of the steel plants in the country taken up for modernisation, with names and what are the gains in terms of production and production cost in these units;

(c) what is the break-up of the amount proposed to be spent on modernisation of steel plants between 1988 and 1994; and

(d) what is the manner in which Government propose to raise funds for modernisation of the steel plants?

THE MINISTER OF STATE IN THE DEPARTMENT OF STEEL IN THE MINISTRY OF STEEL AND MINES (SHRI YOGENDRA MAKWANA): (a) The estimated outlay on major projects in the public sector steel plants including modernisation during the coming 5 to 7 years would be approximately Rs. 10,000 crores.

(b) The expenditure incurred upto December 1987 on the preliminary and enabling works on the modernisation schemes was approximately Rs. 19 crores in the case of Durgapur Steel Plant and Rs. 2 crores in the case of Rourkela Steel Plant. The gains in terms of production and production cost will be known only after the modernisation has been completed.

(c) According to present estimate the modernisation of Durgapur Steel Plant will involve an investment of about Rs. 1350 crores, the modernisation of Rourkela Steel Plant is estimated at Rs. 1600 crores and the modernisation of Burnpur Steel Plant would involve an investment of approximately Rs. 3000 crores. In addition, an estimated Rs. 1000 crores would be the investment on the expansion of Bokaro Steel Plant and Rs. 3300 crores on the completion of the 3 million tonne Visakhapatnam Steel Plant.

(d) The modernisation schemes are proposed to be funded from the internal resources of the Steel Authority of India, borrowing from the Steel Development Fund and external commercial credit, both domestic and foreign.
